Federal Communications Commission
Washington, D. C.

Dear Sirs:

Attached is a letter from the office of the Mayor of Milwaukee which requests the call letters W9USA be granted for operation of an amateur radio station during the thirty-one days of the Centurama exposition with Mr. Ralph Koenig, W9RUF, president of the Milwaukee Radio Amateurs' Club, as trustee. We found, however, that Mr. Koenig is the holder of a class B license and as class A privileges will also be utilized, we are herewith asking you to accept Mr. Aldrich Carl Krones, W9UIT, a Director of our club, as trustee for the aforementioned station and his class A license is enclosed.

You will find the application for the W9USA license and also another application for modification of Mr. Krones' license due to a change in his residence address from 2702 S. 46th St. to 1006 S. 20th St., Milwaukee 4, Wis.

Trusting that the request with change in trusteeship will be granted and thanking you in advance, I remain

Respectfully

Erwin W. Kreis
Secretary MRAC
